As of 1/22/21, there is a 25% capacity limit on indoor gatherings. These protocols will help us abide by the restriction.

Please view the protocols below to prepare for the event. We are excited to get back on the court safely!

Before Arriving:

- Do a health check prior to arriving at the tournament. If you are feeling sick or unwell at all, do NOT come to the event, and alert your coach.
- Only 1 (ONE) spectator is allowed per player.
- Bring your own water.

Arrival and Registration:

- ONLY one (1) coach from each team should come 30 minutes before your first game to register the team. Your team and spectators will be allowed to enter the building **ONLY** at your assigned game time.
- Coach should have roster of players indicating grade level and birthdate. Coach keeps age/grade verification for each player.
- There are strict restrictions for the number of people we can host in each facility. Because of this we can only allow one (1) coach, one (1) assistant coach, one (1) adult scorekeeper, **AND only one (1) spectator per player.**
- Spectator admission will be \$5 per day.
- Check in for EVERYONE entering the building will include verbal questions and a temperature check. Please refer to the end of the document for further detail.

- A mask must be worn over nose and mouth by coaches, players, and spectators at all times within the building, and physical distancing must be followed at all times by coaches and spectators.
- Do not share equipment with others.
- Stay socially distant from others with a minimum of six feet.
- Do not congregate in groups.
- There will be sanitizer – please use it!
- After each game all players, coaches, and spectators will be directed to immediately exit the building, so player benches and tables can be sanitized before the next round of games.
- While we love the camaraderie and sportsmanship of the event, please do not participate in a handshake line after the game. Waving following the game is preferred!
