

Esports Pricing for State Games

\$100 Entrance fee for any business wanting to sponsor a team paid directly to the Sports Commission

Total Reality VR Offers for businesses

We will host Try outs for any business unable to host tryouts.

Pricing Below:

\$20 a kid for Tryouts (This is paid by the kid/parent)

Our Training packages below are strictly for businesses wanting to train a team but unable to have the capabilities to train.

Each package also means Total Reality will cover the entrance fee for the business as well.

Each Package will come with a custom Jersey for the kids based on the business design choices.

Each package allows the team to compete in smaller tournaments against other teams being trained for more experience and bragging rights leading up to the state games.

Total Reality will have a rolling leaderboard for each team we are training for businesses to monitor progress.

\$450 a month – Team Trains once a week for an hour at our location with hands on instruction/coach led.

\$900 a month – Team Trains twice a week for an hour each time at our location with hands on instruction/ coach led.

\$1300 a month – Team trains three times a week for an hour each time at our location with hands on instruction/coach led. Along with free entry to our arcade during regular business hours for training purposes.
